

Welcome to the New Year's Festival Dublin Partner Toolkit

As the year draws to a close, we're gearing up for a busy few days of celebrations and fun from 29th December-1st January. To help you get in on the action and leverage the New Year's Festival Campaign, we've compiled a toolkit of ready-to-go social festival images and videos, social and digital assets, logos and advice. These assets are easy to use, without any marketing or design experience required.

How to use this Guide

This is a digital guide. Wherever you see the download symbol, you can access assets and resources from Fáilte Ireland's Marketing Toolbox.
